Race Route

The start line will be in front of the Stewart County Courthouse on Hwy 79 and will be a 100% out-and-back on Hwy 79 with no turns. The course is fairly flat and fast with a gradual climb to the 40k turnaround then fast down and flat all the way to the finish. This is a 4 lane highway with very little traffic. We will have police help at the turnarounds and many volunteers at the major interesting roads but every racer should race with their head up at all times! Rule of the road still always apply.

If you are a DNF then please check in with officials at the finish line prior to leaving.
