Good pavement, 450 feet total gain, prevailing wind typically out of the West.

NO OVERNIGHT CAMPING ON THE COURSE!
Not in a tent, car, or RV. Nowhere near the school

This has been a source of friction between the race and a few vocal locals in the past. We WANT and NEED to have a great relationship with the local residents. There will be NO PARKING ZONES on Avenue O, and on 180th St. There is NO PARKING anywhere near the START area. This is a public school, there are residences, and folks are territorial. These rules need to be respected by all. Thanks in advance for your cooperation!
