It's been 16 years since the last Yard Sale Race out at Hawkes Creek Farm (802 HARGROVE LAKE ROAD, WINTERVILLE, GA 30683). We thought it was high time to bring it back! We want to see your best retro and throwback cyclegear! In true yard sale fashion, all participants can pick out a shirt from the many, many leftover designs we have from years of other races.

Parking passes are required at \$5/car (one time for the weekend), but you will receive \$5 in yard sale bucks to use at any table. Camping is available on-site. You must pre-register online for a spot. \$15 for tents/night and \$25 for campers/rvs/vans/night. Got stuff? Sale it out the Yard Sale Race! Register online for your spot! \$15/table or \$125 for a corporate spot.

Pre-register online at BIKereg.COM to not give Ashley a heart attack. Registration opens 1.5 hours before the first race and closes 30 minutes before each race start. \$10 Late Fee for Day of Registration. All non-USAC licensed racers must purchase either a one-day USAC license for \$10 and be a Cat 2 or 3 racer or an annual license for \$80 (\$40 for juniors). Warm up will be permitted on the course only between events at the official's discretion and only after waiver has been signed. Race is held rain or shine. Bring Fido, just keep puppies on a leash. Helmets must be worn at all times while riding.

MyLaps transponder timing will be used. \$5 for weekend rental or bring your own! A credit card will need to be held as collateral. Chips not returned on the weekend, a \$10 charge will be assessed. Lost or unreturned chips after two weeks will be charged \$90.
