Preregistration is recommended via bikereg.com. USAC and NEBRA fee's are included in registration fee. Day of registration is available with a \$10 surcharge.

The Coonamessett Farms Eco-Cross is a manually scored event. This is a low key, fun day of racing on a great farm course. There's lots of thick dirt to grind through and plenty of mixed terrain.

Beer provided by Indie Ferm, food available from the Farm (they make some killer jerk chicken).
