## **Welcome to the 2017 Syracuse Race Weekend**

The 2017 Syracuse Race Weekend is a three-day omnium points race. You may race one, two, three or all four events. Those who enter the omnium are awarded points for each finish which accumulate to an overall score. There are also medals awarded for 1<sup>st</sup>, 2<sup>nd</sup> and 4<sup>rd</sup> place for each individual event. This year the omnium consists of a hill climb, time trial, criterium and road race.

### **Modifications**

The information in this technical guide may be updated up until race day. Please check the “Syracuse Race Weekend” tab at <http://onondagacyclingclub.org/> for the latest information and update alerts.

### **Registration**

Participants can pre-register for either the omnium or individual events on-line at [bikereg.com](http://bikereg.com) until 9:00 PM Wednesday, June 21<sup>st</sup> 2017. There will be day-of registration for the omnium Friday, June 23<sup>rd</sup> at the hill climb, and you may register for any individual events up to 1/2 hour before the start time for your field.

**If you wish to enter more than one race for the criterium, additional races are only \$10.00.**

A valid USACycling or UCI license required to race. LICENSE MUST BE PRESENTED AT TIME OF RIDER CHECK-IN.

**USAC Category 5 Men and Category 5 Women (including juniors) may purchase a one-day license for \$10 from USACycling at Check-In.** One Day licenses are good for only ONE DAY. You must purchase a license for each day of racing.

**No category/field changes after pre-registration closes.**

Rider Category Upgrades - if you receive an upgrade to your racing category by USA Cycling AFTER you have registered we will make every effort to place you. However, there is NO guarantee that you will have a place in your new field.

NO REFUNDS after registration

NO RIDER SWAPS

**ALL CHECK-IN/ REGISTRATION CLOSES 30 MIN PRIOR TO INDIVIDUAL  
FIELD START TIMES**

**FIELDS MAY BE SPLIT or COMBINED BASED ON REGISTRATION NUMBERS**

## **Omnium Registration Categories, Fees and Prize Schedule:**

See **Appendix A** for race categories, field and entry fees.

## **Prizes**

Medals are available for single events and merchandise prizes for primes are available for the criterium. To be eligible for prize money Omnium scoring entrants must be registered for the Omnium (i.e. all four events).

There are also cash prizes available for participants in the NYS Road Race Championship.

**All prize listings in the race flyer are based on a minimum field size of 10 and may be modified accordingly based on actual registration numbers.**

## **LATE FEES**

There are LATE FEES for all registrations after the close of on-line pre-registration, which is on Wednesday, July 6th, 2017. We suggest pre-registering for Syracuse Race Weekend to avoid any late fees

- Omnium late fee: \$30.00
- Single event late fee: \$15.00

## **State, National and World Champions Race Free:**

Current State, National and World Champions will be refunded their fees on race day at registration. Championship jerseys must be worn in the races, please bring the jersey to registration.

Alternatively, you may send an e-mail to [brewer13210@yahoo.com](mailto:brewer13210@yahoo.com) with your race information.

# Race Schedule

## Race Sign-In –

- All Omnium entrants should sign-in Friday evening at the Hill Climb. If you don't register at the hill climb, register at the first event you are participating in. There will be a registration table at all four events.

**For Omnium entrants no additional sign-in will be required** once you have registered at your first event.

- If you are not entered in the full Omnium but have registered for one or more of the single events, you still need only go to registration once. Once you have registered at your first event, you do not need to register at any subsequent events you are entered in.
- You will be given your bib numbers at sign-in, which you will use for every event you are participating in. **Please do not lose, crumple or mutilate your bib numbers.** The numbers are made of Tyvek, which should last for the entire omnium.

### Hill Climb: Friday June 23rd, 2017

## **General Race Rules:**

All events follow the last version of the [USACycling rule book](#) (April 4<sup>th</sup>, 2017 edition).

- Junior fields – limit of 50 riders,
- Men/Women Cat 5 Fields – limit of 75 riders
- Category 3 Women are scored Separately from the Women P/1/2 field
- **Juniors:**
  - As juniors entrants compete under USAC rules all junior must use restricted gears. Juniors must have their bicycles “roll-out” tested after the finish of each event to check that one revolution of the cranks does not cause the bicycle to travel more than 7.93 meters or 26 feet. Gear combinations which usually meet the restriction with standard 700c tires are 52x14, 47x12 or 53x15. Top gears may be blocked off by adjusting the derailleur upper limit screw. Roll out will be done adjacent to the finish area for each event. ALL JRS WILL BE ROLLED OUT NO MATTER WHAT EVENT
  - Jr. **9 - 12 and 13 - 14** fields will be scored separately
- All protests must be made within 15 minutes after race results are posted.
- The following races are Category 1-4 ONLY:
  - Masters Men 35+
  - Masters Men 45+
  - Masters Men 55+
  - Masters Men 60+
  - Masters Women 35+
- A one-day license may **only** be used for the following fields:
  - Men Cat 5
  - Women Cat 5
  - New for 2017:
    - Experienced one-day race licenses may be purchased online at the USACycling web site only by former members to race in categories excluded by the Beginner license once per year.
    - <http://www.usacycling.org/buy-a-license.htm>
- Events are held rain or shine.
  - The Chief Referee may neutralize, shorten, suspend, or cancel any race if dangerous conditions or hazardous weather or any other “force majeure” arises.
- No bikes with aero or time trial bars except for the time trial event.
- No sleeveless jerseys
- Center-line rule in full effect for ALL FIELDS. Penalties for crossing the center line may include up to disqualification.
- **Mechanical Support:**
  - Neutral race support is provided for each event by **Bike Loft East**.

- If you are behind the support vehicles for your field, you are on your own for technical support. Support cars for fields which started behind your race must stay with and support their field and cannot stop to service riders from other fields.
- It is suggested that all racers carry a spare tube, patch, inflator and whatever tools you may need for repairs.
- Wheel vans are currently planned but not guaranteed for the road race and Hill Climb, and will be wheel-in/wheel-out except for fields with neutral support.
- There will be one wheel pit at the criterium near the start/finish line that will be wheel-in/wheel-out. Neutral wheels will also be available from Bike Loft East. Be sure to label your equipment and pick it up after your race. Syracuse Race Weekend staff will not be responsible for any lost equipment.
- Team cars are allowed for the Hill Climb and the Road Race. Team cars **MUST** stay behind official race vehicles.
- **Littering:**
  - There is absolutely no littering allowed, either in parking areas or on the race course. Littering may be punished by fines per New York State motor vehicle law and/or disqualification.
- **Bib Numbers:**
  - You will be given two tyvek bib numbers at check-in. Please do not lose your bib numbers as you will use them for the entire omnium. If you have registered for two or more of the individual events, you will still receive only one set of numbers to be used for each event.
  - The numbers must **NOT** be folded, trimmed or “crumpled”. Do **NOT** wrinkle your number, it is important that race officials and the timing system can clearly see the number pinned to your jersey. Riders who deface their number will be assessed a 20 second penalty against the respective event they are racing in.
- **Bib Colors:**
  - In order to differentiate participants in the omnium, individual races and the NYS Road Race Championship, participants will have different color stripes on their bibs. All omnium participants will have an ORANGE stripe across their bib, and NYS Road Race Championship participants will have a BLUE stripe on their bibs.
- **Rider Staging:**
  - Riders must report to the staging area **at least** five minutes before the start of your race to receive last minute announcements from officials.

## **Otisco Hill Climb**

Friday, June 23rd, 2017  
Beak & Skiff Apple Orchards  
2708 Lords Hill Road  
LaFayette, NY 13084

Syracuse Race Weekend starts the Beak & Skiff Apple Farm with a short 10k race, taking us down the Otisco Valley and up the terrain carved out by the glaciers 10,000 years ago.

Registration, parking and race staging will be at Beak & Skiff Apple Orchard at the address above.

All omnium participants have the buffet dinner included in their entry fee, which will be available in the Beak & Skiff Café after the race. On BikeReg there is an option to purchase additional dinners for spectators.

### **Registration/Check-In**

Registration will be set up at the 1911 cafe, and opens at 4:00 pm. Please bring your USACycling or UCI license with you.

### **Bib Numbers**

Please pin your bib number on the **RIGHT SIDE** of your jersey.

### **Parking**

Please park in the designated lot at Beak & Skiff .

### **Course**

The course map is available on [RideWithGPS](#).

The Hill Climb course begins with a neutral start from Beak & Skiff and heads East down Route 20 for approximately 4 miles. The race begins when the field makes a right turn onto Tully Farms Road. The course is 6.5 miles long with 1,224 feet of climb. After the right turn on Otisco Road, the course has an average grade of 5.5% with a maximum of 9.5%.

Once you've finished the hill climb, DO NOT return down Dutch Hill Road. Continue back to Beak and Skiff via the route shown on the map below. The route back is 5.8 miles long, so parents/coaches may want to consider picking-up Jr. racers at the finish line.

Note that the speed limit on Route 20 and Route 80 is 55 MPH and is open to traffic. For the safety of you and other racers, please stay on the shoulder of the road to the right of the fog line.

## **Scoring/Results**

The officials at the finish line will only be recording placement within each field as racers cross the finish line. Finish times will not be recorded.

## **Restrooms**

There are restrooms located throughout the Beak & Skiff facility.

## **Warm-Up**

You may warm-up before the race along Route 80. Please be mindful that Route 80 is open to traffic and the speed limit on the road is 55 MPH.

## **Spare Wheels**

Before the race, drop-off spare wheels with the wheel van/vehicle corresponding with your field. After the race, spare wheels can be picked-up at the cafe indicated on the map below.

## **Awards**

After the race, medals will be awarded in front of the Beak & Skiff Cafe.

## Fields and Start Times

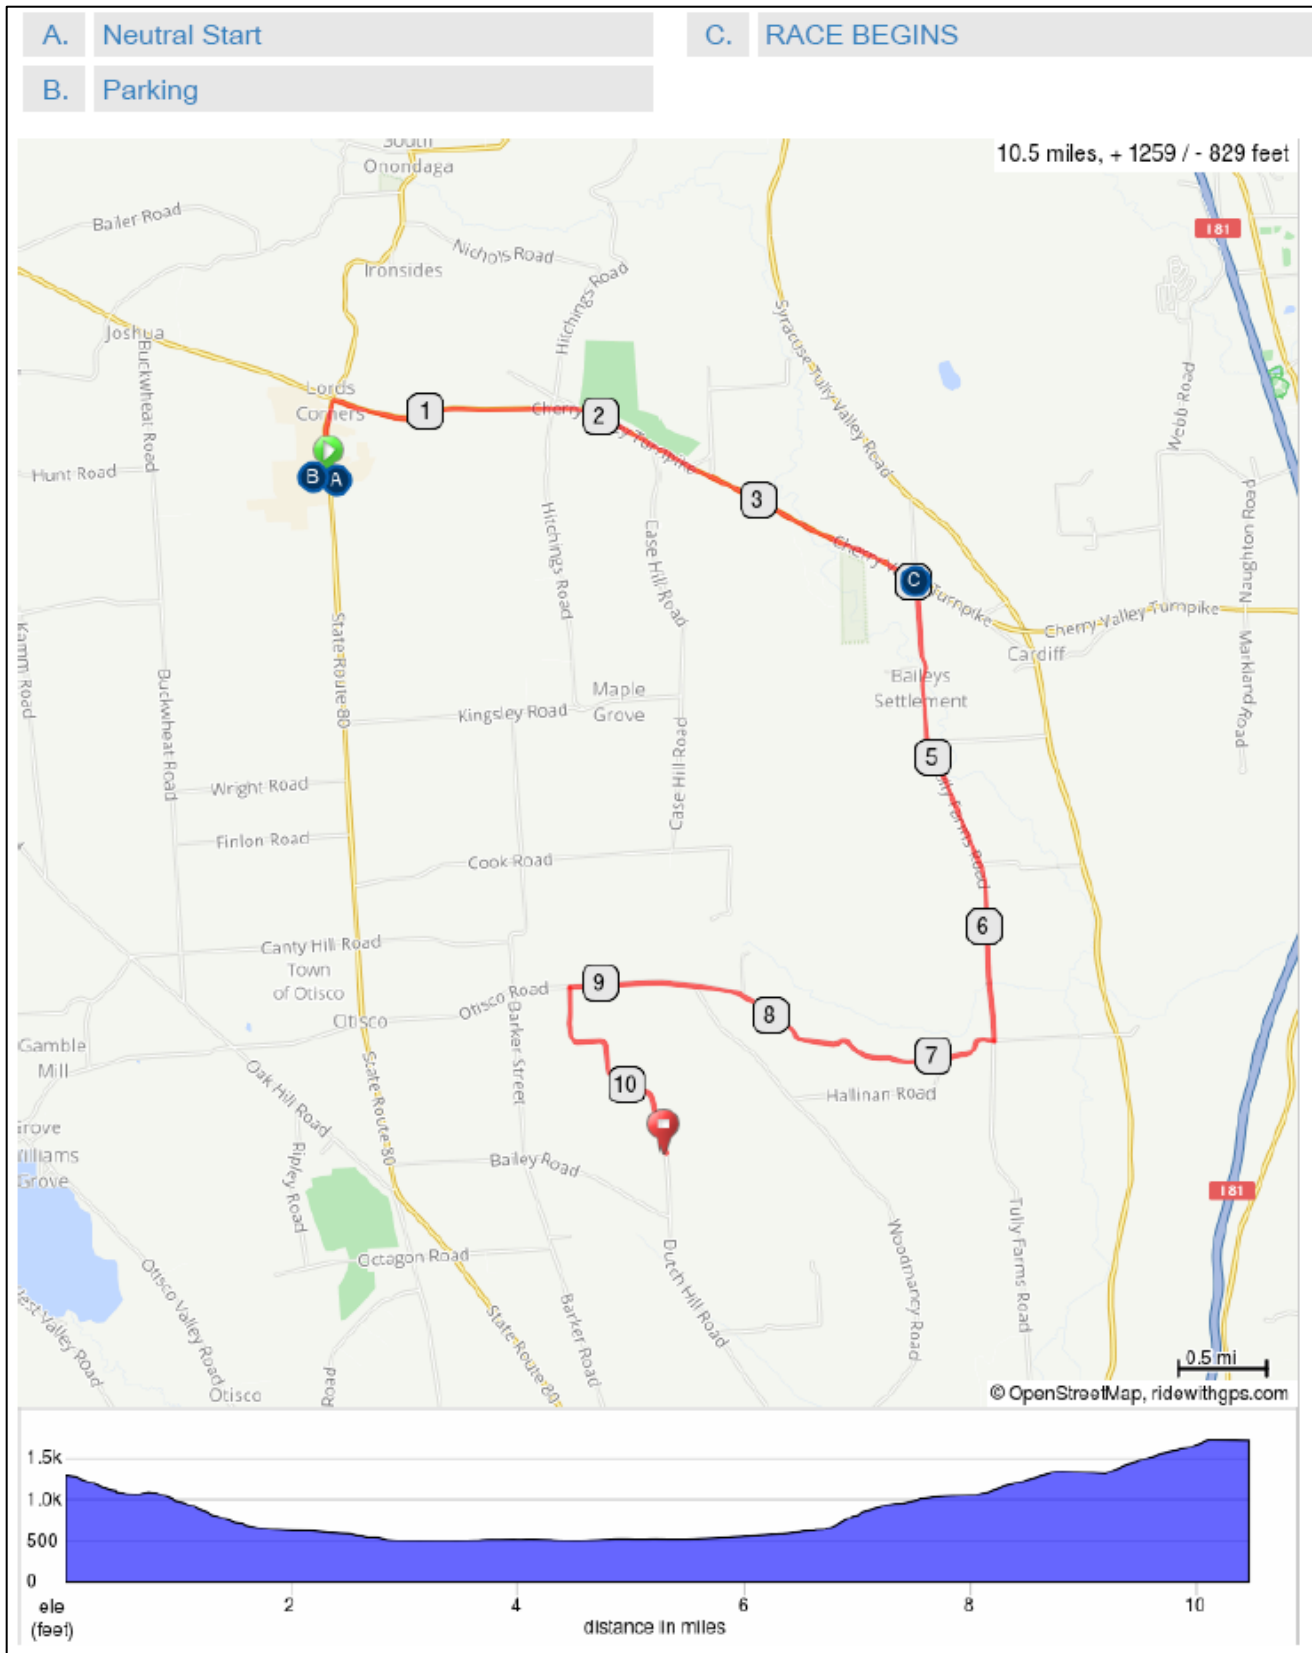

Note that the hill climb is a mass start event, not a time trial style prologue with individual starts.	Friday June 23 <sup>rd</sup> , 2017

  - **Even numbered racers will line up in left line**

## Course

The course starts on the corner of NY Route 11A and Rowland Road and heads South on Rt 11A.

Maps for the course are provided below. Note that there is a shortened course for the boys/girls 9 -14.

Once you've finished the your time trial, you can return to the Apple Festival Grounds by continuing North to the end of Tully Farms Road and turning Right on NY Route 20. **Note that the speed limit on Route 20 is 55 MPH. For the safety of you and other racers, please stay on the shoulder of the road to the right of the white fog line.**

## Equipment:

All USA Cycling legal time trial bikes are allowed for this race.

- Racers **MUST** follow Rule 3E6 (b) and (c) of the [2017 USAC Rule book](#):
- *No rider shall take pace behind another rider closer than 25 meters (80 feet) ahead or 2 meters (7 feet) to the side,*
- *No two riders may ride abreast other than when attempting to pass and such attempts shall not be maintained beyond a distance of 500 meters. If the pass is not made cleanly within 500 meters, the caught rider must drop back to a distance 25 meters behind the rider who caught him*

## Restrooms

Portable rest rooms will be available on the Apple Festival grounds.

## Warm-Up

You may warm-up before the race along Route 11A North or Rowland Road. Please be mindful that Route 11A is open to traffic and the speed limit on the road is 55 MPH.

## Results

After the race, results will be posted at the Criterium and medals for the time trial will be awarded after the protest period has elapsed.

New York State Fairgrounds  
581 State Fair Blvd  
Syracuse, NY 13209  
Enter Gate 2

### **Venue:**

The State Fair Criterium is the third event of the omnium, and will be held on the New York State Fairgrounds. The streets around the park will be closed for the race, so please enter at the intersection of Clairmonte Ave and Crossette Street and park in the grassy area shown on the map below.

Enter Gate 2 and park in the area designated on the map below.

### **Registration/Check-In**

If you are entered in the omnium and have already checked-in at one of the previous events, you **DO NOT** need to visit registration again. Simply re-use the bib numbers you were originally given.

Registration will open at 10:00 am, and closes ½ hour before each race. Please bring your USACycling or UCI license with you.

If you wish to participate in any additional races during the criterium for which you are eligible under USACycling rules, additional races are \$10.00. Please visit the registration tent to enter.

### **Bib Numbers/Scoring**

For the criterium we will be using a video timing system. Please pin your bib number on the **RIGHT SIDE** of your jersey. Please do not cut, crumple, or obscure your number as this may interfere with the software used to detect your bib number.

### **Parking**

Please park in the lot designated in the map below.

### **Course**

The course is a 0.9 mile loop around the fair grounds. The start/finish line is on the South side of Chevy Court.

### **Restrooms**

Rest rooms are available in Chevy Court.

## **Food Truck**

A food truck will be available in Chevy Court from 11:00 am to 5:00 pm.

## **Warm-Up**

You may warm-up on the course in between races. Please do not enter the race course until the previous race has concluded.

## **Neutral Support**

Bike Loft East will have a pit area with mechanics and neutral bikes set-up next to the finish line. Free laps for mechanicals are allowed under USACycling rule 3D5 ([2017 USACycling Rule book](#)). No free laps are allowed in the final 8 km (5 miles) of the race.

## **Feeding:**

No feeding is allowed during the criterium.

## **Primes:**

There will be a number of primes throughout the criterium. Primes will be rewarded with a combination of prizes and Sprint Points. Racers will be made aware ahead of time when they will be racing for prizes or sprint points.

## **Results:**

Race results will be posted on the building behind the officials as soon as they are available. Protests must be made within 15 minutes after results are posted.

## **Awards**

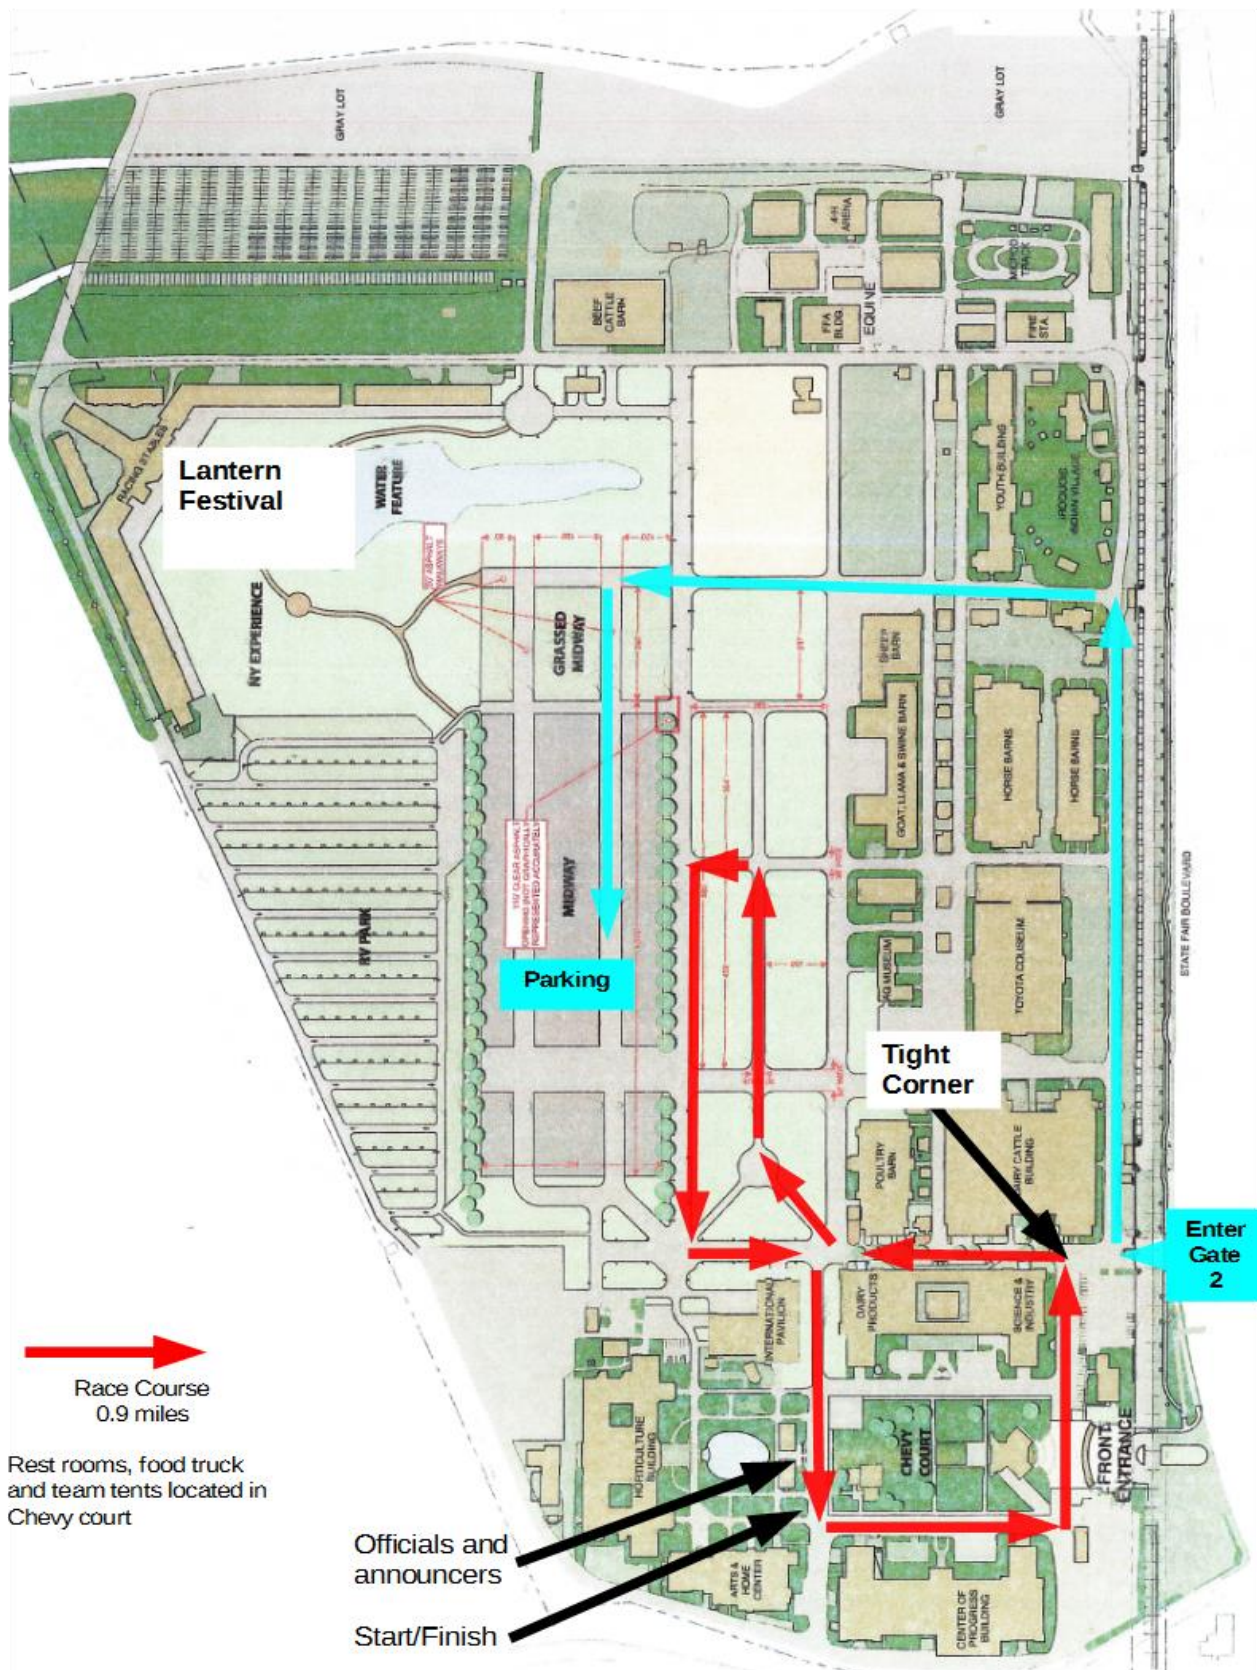

Awards will be presented after results have been posted and the protest period has elapsed.

## Tully-Otisco Valley Road Race & New York State Road Race Championship

Sunday, June 25<sup>th</sup>, 2017  
Tully Town Office,  
5833 Meetinghouse Road,  
Tully, NY 13159

Map located at end of bible. See race website for a more detailed map and the most current race information, <http://onondagacyclingclub.org/syracuse-race-weekend/course-information/>

Tully is approximately 14 miles south of Syracuse on Route 81.

### **Registration/Check-In**

If you are entered in the omnium and have already checked-in at one of the previous events, you **DO NOT** need to visit registration again. Simply re-use the bib numbers you were originally given.

Registration for the road race will open at 7:30 am at the Tully Town Offices, 5833 Meetinghouse Road, Tully NY 13158. Enter through the back of the building.

Please bring your USACycling or UCI license with you.

Registration closes ½ hour before each field leaves.

### **Facility Rules:**

We are using the Tully Town Hall for registration and race staging. Do not jeopardize our future use of the facility; please abide by the following rules:

- No alcoholic beverages are permitted on the town hall grounds,
- No tobacco use is allowed on the town hall grounds,
- No littering (please take all garbage with you when you leave).

### **Bib Numbers/Scoring**

For the road race, we will be using a video timing system. Please pin your bib number on the **LEFT SIDE** of your jersey. Please do not cut, crumple, or obscure your number as this may interfere with the software used to detect your bib number.

## Parking

There are multiple options for the road race:

- There is a small parking lot behind the Tully Town Hall available on a first come basis. Please do not park in the lot in front of the Town Hall.
- There is a small parking lot available at the US Post Office at 24 Elm St (Rt 80), Tully, NY 13159,
- Street parking is also available in the center of town on Elm/Clinton Street (routes 11/80),
- Note that we do not have permission to park at the Tully High School.

## Course

The race course starts in front of the Tully Town Hall on Meetinghouse road, and begins with a **neutral start** heading west on Route 80 until the sharp left-hand turn onto Long Road where the race officially begins.

For the first 20 miles, until you reach the bottom of Oak Hill Road, this is generally flat and fast course.

Except for where noted below, the roads are OPEN TO TRAFFIC. Stay to the right of the yellow line at **ALL** times and to the right half of the road if there is no yellow line. Stay alert for traffic at all times.

Please be cautious of traffic. As we will be traveling through Central New York farm country, it is possible to encounter farm equipment traveling on the road. Officials may neutralize the field before allowing racers to pass such equipment.

All fields start and finish at the same point. Depending on the field you are racing in, you make either 1, 2, or 3 loops around the race course (See chart with fields and distances below).

There is a busy marina at 18.3 miles into the race. **STAY ALERT** in this high traffic area. Watch for boats being towed into the roadway.

## Additional loops around the race course

Some fields will make more than one loop around the course; this applies **ONLY** to fields racing 58 and 85 miles. If your field is making more than a single loop around the course, you will be making a right-hand turn onto Long Road from Route 80. This is the same point where you made the left turn from Route 80 at the beginning of the race. (see map below).

## Finish:

All fields have the same finish: after reaching the end of Oak Hill Road, turn right onto Route 80 and stay on Route 80 in to Tully. Turn Right onto Route 281 immediately after passing under the Route 81 overpass. Make the first left onto Meetinghouse Road, where the finish line is across from the Town Hall where the race started.

## King of the Mountain/Queen of the Mountain:

The road race includes a KOM/QOM where the top three finishers from each field across the KOM/QOM line will be awarded 3, 2 and 1 points that will go towards their Omnium score. The KOM/QOM is located on Dutch Hill Road as shown on the map below.

KOM/QOM points are awarded for the first lap around the course.

## Feed Zone

There is a feed zone for the road race on Oak Hill Road (see map below), which is available for all fields except the single lap categories (fields racing 32 miles). There is no feeding allowed from vehicles.

The start and the finish of the feed zone will be marked on the pavement. Feeding is only within the limits of the feed zone. **FEED FROM THE RIGHT SIDE ONLY. RIDERS MUST STAY TO THE RIGHT SIDE OF THE ROAD AT ALL TIMES.** Feeding is **not** allowed for any 1-lap fields.

## Mechanical Support

Neutral support for the race will be provided by [Bike Loft East](#) (BLE). If your field is supported by BLE, then there is no need to provide spare wheels as their van is fully stocked. Please remember to return any borrowed wheels to Bike Loft East.

There will be wheel vans available but we can not guarantee they will be available for each field depending on final registration numbers and field sizes. Wheel vans will stay with the main pack at the official's discretion. Support is wheel-in, wheel-out. If the support vehicle fills (8 or more pairs of wheels), support will be neutral. There will be a sag wagon following the last rider on the course. If you become unable to ride to the finish, please follow the course to the nearest course marshal and wait for the sag wagon.

Team support vehicles are allowed. Team cars **MUST** stay behind official race vehicles.

## **Results:**

Race results will be posted on the back of the scoring trailer which will be located on Meetinghouse road across from the Town Hall. Protests must be made within 15 minutes after results are posted.

## **Awards**

Awards for the Road Race will be presented after results have been posted and the protest period has elapsed. Awards will be presented in in the Pavilion behind the Tully Town Hall.

## **Omnium Awards:**

Trophies and awards for the NYS Road Race Championship and Omnium will be presented during the award ceremony for the road race.

**Registration is at the Tully Town Hall. Please enter through the rear entrance.**

## Additional Road Race loops

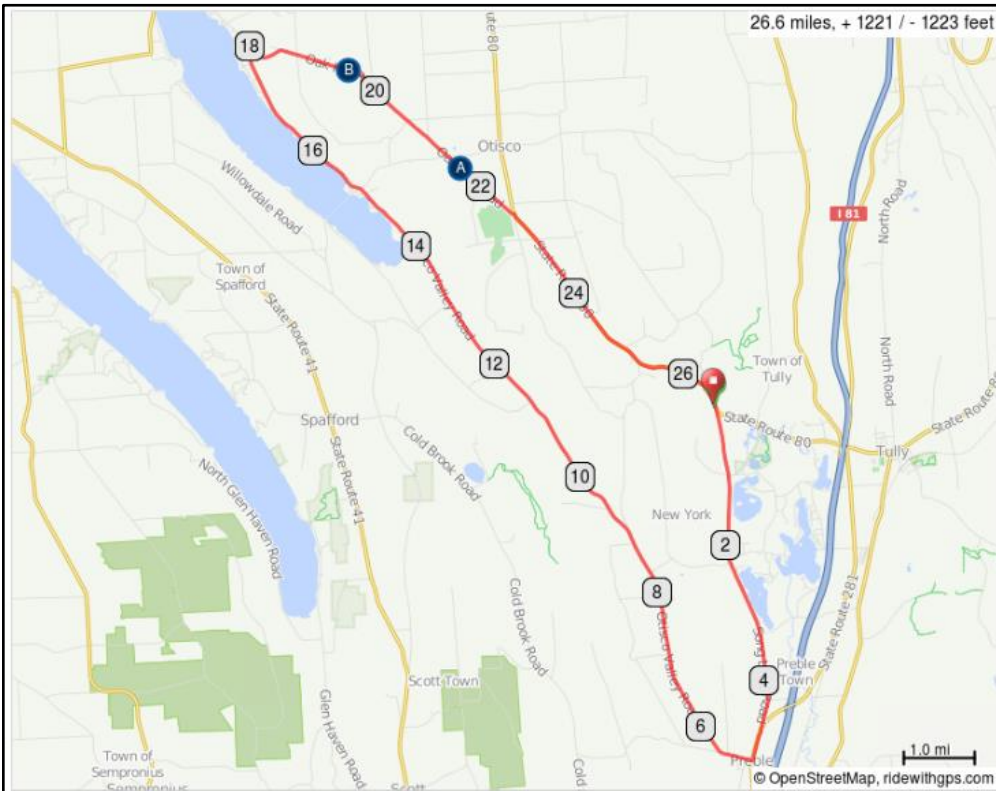

Link to map on [Ride with GPS](#).

If the field you are in has a total distance of 85 or 58 miles, then you will be making additional loops around the race course.

You begin an additional loop by making a right turn from Route 80 onto Long Road, where you will then follow the same route you previously did.

### How many times will you make the right turn on Long Road?

- If your field distance is 85 miles, then you will turn down Long Road **TWICE**. After the third time up Oak Hill Road and down Route 80, you will follow the route to the finish as described above.
- If your field distance is 58 miles, then you will turn down Long Road **ONCE**. After the second time up Oak Hill Road and down Route 80, you will follow the route to the finish as described above.

- A. Feed Zone
- B. KOM/QOM

## **Omnium Scoring**

### **Race Scoring:**

For each event in the omnium, points will be awarded in the same format to the top twenty-five finishers, with the first place finishers of each receiving the highest point value. Point distribution for the top twenty-five is as follows: 40, 37, 34, 31, 28, 25, 22, 20, 18, 16, 15, 14, 13, 12, 11, 10, 9, 8, 7, 6, 5, 4, 3, 2, 1

### **Breaking of a Tie:**

In case of a **tie on total points**, the tie will be broken in favor of the rider who has:

1. The most first place finishes or, if still tied, the most second place finishes, etc., or if still tied;
2. The highest placing in the last race, or the race nearest the last race of the omnium in which at least one of the tied riders placed.

## **Prize Disbursement and Payouts**

See race flyer in Appendix A for payouts for the Omnium and NYS Road Race Championship.

**Actual cash prizes subject to change based on registration numbers; minimum 10 entries/field for full payout.**

**Please don't forget to thank the course marshals and other volunteers who have given their time to make this race happen.**

**BEST OF LUCK!**
