2018 1st PI, Northstar Sticks and Stones - Downhill 2018 2nd PI, EWS Continental/CES Northstar

Background:

Started riding mountain bikes about 8 years ago. Began racing pro Enduro in 2014 after quickly going from cross country to more all mountain terrain. TDS Enduro was my first enduro and pro race. It is also my favorite race of the year. I have raced the California Enduro Series for past 4 years, but will be branching out to bigger events this year including North American Enduro Tour stops, EWS Aspen, Tripe Crown races in CES.

Favorite Terrain:

I love riding in the Tahoe Area. My favorite trails have it all ... rocks, jumps, steeps, fast and flowy, and good berms! Mr. Toad's has it all!!!

Currently:

Dayton HS Teacher, NICA Level 2 coach and team director
