ENJOY AN AFTERNOON OF FUN FOR THE ENTIRE FAMILY

Friends and families will cheer on the kids as they frantically pedal their Big Wheels, tricycles, and two-wheelers towards the finish line. All children between the ages of 3 and 10 are invited to participate in this free event. There will be four categories of races: 3-4 years of age, 5-6 years of age, 7-8 years of age, 9-10 years of age, with race distances determined by age and ability.

To participate, all a boy or girl needs are their bike of choice, helmet and the permission of a parent or guardian.

Parents may not ride with their child older than 6 years of age, however a parent may accompany children between 3 and 6 years of age on foot. Children in all other age groups must ride independently.
