RESOLUTION CROSS CUP

Join us at the premier Texas 'cross race venue, Winters Park Amphitheater, in Garland (Northeast Dallas), TX for our seventh annual Resolution Cross Cup. The race weekend returns for a fifth consecutive season as Texas' only stop on the USA Cycling ProCX calendar. Each day's feature events will be the elite men's and women's races (UCI C2) starting at noon with amateur racing bookending these contests. The amateur events will be the third and final weekend of the North Texas Cyclocross Race Series (NTXCX).

This year's course includes a new wooded section, varied use of the park's steep contour and a special, challenging course feature. The popular BMX-style pump track and creek bottom "wall" climb return but via a new approach. Finally, a new stairs section awaits the racer climbing back into the top portion of the race venue. Spectators will revel in close access to racing excitement and heckling opportunities throughout the venue.
