THE RIDE...THE FOOD...THE PRIZES...THE STUPIDLY HARD ROUTE...THE GLORIOUS EUPHORIC PAIN...THE ROCKS, THE DIRT, THE MUD...

GRAVEL RIDE? SORTA...

The world famous Rock Cobbler is a stupidly hard ride bordering on a race. It was conceived by drunken madmen...on a ride...then on barstools...late in the night. The Pebbler is less stupidly hard but still a true challenge. As always we are passionate and driven to showcase dirt trails, roads and things that are neither. Shenanigans abound. We promise a unique, challenging route of lots o' dirt and everything from MTB level stuff to easy gravel fun....In a very Bakersfield way. **As is tradition, the final routes, other details, updates, rules and news will be shared with registered riders the week before the event.**

ROUTES

- The Cobbler will be roughly about and around 80ish miles 5500—6500 ft of elevation gain and the Pebbler half of that, roughly. Having fun is a must. You might meet Tacoman, cross a river, suck your thumb, cuss at us but you WILL hike with your bike and pedal a lot with a lot of steep short climbs. We promise an adventure!

GEAR

- Both routes are designed to be a challenge on a gravel/cross bike, ideally fitted with some FINE **IRC tires**. Choose your width and tread carefully, we throw it all at ya. Mountain bikes OK! Road bikes, bad idea!

WHAT YOU GET/ENTRY FEE

- A nutty, hard, fun route, amazing event support and SAG stops with **FLUID hydration** and other awesome food, Twinkie's, beer, great food (breakfast and lunch), raffle prizes, swag, shenanigans, music and **THE SPECIAL GIFT** for all riders. Entry fee is \$160, total rider count limited to 500. Sorry, no refunds.

BASIC RULES

- There are no categories but we do award the first male and female finisher of each ride with an extra special gift.
- This is NOT a race, it is a damn challenging ride (but ride as fast as you wish!).
- The Cobbler is hard. You must make it to the final SAG stop by 4:30pm or reserve the right to haul you in.
