[WNYBRC](#) and the [Ide Family of Dealerships](#) are bringing back the [Seneca Park Zoo Circuit Race](#). The course is on a 1-mile loop within Seneca Park's 297 acres. Originally called North Park, this three-mile preserve of forested river gorge was renamed Seneca (which means "stone"). Another of [Frederick Law Olmsted's works of living art](#), Seneca Park features Trout Lake which was created by damming a natural spring. Swan boats, propelled by drivers who pedaled the boats like bicycles, carried visitors around the lake until 1922. Seneca Park is located at [2222 St Paul St; Rochester, NY 14621](#) along the eastern bank of the [Genesee River](#). Race held under a [USA Cycling](#) Permit # 2024-8766 rain, snow, or shine. Register online at <https://www.BikeReg.com/WNYBRC-Zoo-Race>.
