#### REGISTRATION

- Registration Link: <https://www.bikereg.com/nys-esports-championship>
- Registrants must register using their legal first name and last name which must match the names used for the registrant's (1) Zwift user account and (2) annual domestic USA cycling license.
- During the 2024 New York State Championship race, registrants' display names cannot include information other than their legal first and last names (e.g., team name, nickname etc. are prohibited).
- Registrants will receive a special event link once their registration requirements and qualifications have been verified.

#### RULES OF RACING

- Register correctly with Zwift Power.
- Use your own Zwift account in your legal name.
- Input your actual height & weight on the race day into Zwift.
- Use a calibrated **direct drive smart trainer, smart bike, and/or power meter.**
- The use of equipment other than a direct drive smart trainer or smart bike requires the use of a power meter for power data.
- If your trainer or power meter requires calibration, calibration must be completed no less than 30 minutes before the race start.
- Racers must ensure their equipment has up to date firmware and are responsible for ensuring their equipment accuracy.
- Heart rate and cadence data must be transmitted to Zwift while racing.
- Racers shall not tamper with equipment, modify any recorded data, or otherwise use a mechanical, electronic, or other device that provides an unfair advantage or false result.
- Upon request, racers must provide data to help verify race performance.
- If race performance cannot be verified, your result will be annulled.
- If you attempt to gain an unfair advantage, you will be disqualified.
- **Don't cheat.**
- Racers must abide by Zwift Cycling Esports Rules which are located here:
