Junior Female 10-12	18 miles	1	12:15 p.m.	Medals / 3	\$10

Men Cat 5 Riders may only race in the Men Cat 5 Race.

Riders racing in a Masters Category must race within their actual age bracket.
You must have a USAC Annual License to be eligible for a State Championship.

*Women Cat 5 Race is not a State Championship. It's for beginner women.

**These groups race the 73 mile course, which repeats 2 loops of the entire course rather than repeating loops around the island. See course description.

Access to Antelope Island: Vehicles with a participant will be handed a voucher to enter the Park at the entrance to the causeway. Spectators without a participant in the vehicle will be charged normal State Park entry fees.

Important Race Information:

- All Riders, regardless of State of residency, are welcome. However, to be eligible for a State Championship you must be a resident of Utah and your USAC annual license information must reflect a Utah address.
- The promoter reserves the right to combine fields based on the number of participants. For categories that have the same start time, racers will race together, but will be scored separately based on category.
- Register online at bikereg.com until June 18, 2021.
- There will be no late registration or day-off registration due to Covid 19 restrictions
- Parking will be at the dirt field at the Marina. **Please do not park on the asphalt at the Marina. Please do not park on the causeway or at the Veterans Memorial.**
- For more information call 801-389-5706 or go to www.utahcycling.com
- Awards will be mailed out, or handed out at the finish line. There will be no awards ceremony at the event.
- Riders are responsible to keep track of the required number of laps!
- All USAC Rules Apply. Fields may be combined. Maximum field size limits shall be in accordance to USAC Rules.
- All riders must have an annual USAC license to be eligible for State Championships. Cat 5 and Junior Riders may participate with a one-day license, but one-day license holders will not be eligible for State Championships. One-day licenses will be available on site for \$10.00.
- There will be a feed zone for Men Cat 1/2, Men Cat 3, Men Masters 35-44, and Men Masters 45-54 only. The feed zone will be on the second lap on the hill after turning on the Ranch Road.
- PLEASE use Restrooms and Port-a-potties — Public urination will not be tolerated! Violators will be disqualified and subject to USAC fines and civil penalties.

- Spectator's cars are not allowed at the Finish Line due to parking restrictions. Only spectators traveling by bike or foot are allowed at the finish line.

Please be prepared to follow our covid plans that are posted on bikereg.com. Bring a mask, wear a mask until your race starts and after your race finishes, There will be no day-of registration, please follow social distancing guidelines when picking up your number, there will be no pins available, there will be no awards ceremony or posted results. Results will be done by email. Please ensure that your email address filed with bikereg.com and USA Cycling are correct.

Course Description:

Start is at the Marina. The race will begin with a left turn onto the Causeway. Proceed east on the Causeway to the entrance booth, turn around, and proceed back to the island. At the end of the causeway, turn right to loop counter-clockwise around island. The number of loops depends on the total miles. (Loops are determined by the number of times you pass the intersection from the causeway onto the island. For instance, three loops will be the initial time passing the intersection coming off of the causeway and two more times.) On the last lap around the island, turn right onto the Ranch Road. Continue to the end of the Ranch Road where there will be a "U" turn around. Continue back on the Ranch Road to the final hill. The finish will be at the top of the hill.

- All Juniors, except Junior Male 15-16 and 17-18, will do one lap of the island, turn right on the Ranch Road and proceed directly to the finish line and finish Southbound.
- Only Junior Male 15-16 and 17-18 will ride out to the Ranch.

** The 73-mile course will start at the Marina then proceed east on causeway to entrance booth, turn around, and proceed back to the island. At the end of the causeway, turn right to loop counter-clockwise around island, turn right onto the Ranch Road. Continue to the end of the Ranch Road where there will be a "U" turn around. Continue back on the Ranch Road (past the finish line) to the Marina, and then out over the causeway, back to the Island, counter-clockwise around the Island, out on the Ranch road to the "U" turn, and then back to the finish line at the top of the hill.

Event held under USA Cycling, Permit Pending.
