

Covid Plan for John Lauck Memorial

Masks must be worn until the official at the start line tells you to remove it before your race start time and after your race is finished. Social distancing guidelines must be followed. Please ensure that you maintain 6 feet distance from others until you line up for your start and after you finish.

It is the rider's responsibility to make sure their email is correct in BikeReg.com

Registration Procedures:

1. Please note: There is no onsite registration for this event.
2. All event registration will be through BikeReg.com which will allow for the USA Cycling waiver to be signed during the registration process. You must also electronically sign the Antelope Island State Park waiver online.
3. There will be no safety pins at check-in. **YOU BRING YOUR OWN**
4. Onsite number pickup, Bib numbers will be handed out at the registration table.
5. At the registration table, please, only one rider at a time while maintaining a 6-foot distance from any other rider
6. All riders must have a facial covering while picking up their number
7. Event staff will be masked and wear gloves while handing out bib numbers.
8. Hand sanitizer will be located on a table for those wishing to use it

Results Procedures:

1. The Chief Judge and the timing crew will score the event working together to ensure accurate and timely results
2. **RESULTS WILL NOT BE POSTED ONSITE.** If you finish in the top three of your category, please circle back to the back of the scorer's table to pick up your award. **Only the top three finishers in each category should return to the scorer's table.**
3. Results will be emailed to each rider in the category they raced in as soon as they are provided by Chief Judge and Timing Crew to RaceDay Event personnel. (email delivery may be determined by internet access)

4. Results will be posted online at RaceDay Event Software as soon as results are provided by the Chief Judge and Timing Crew to event website and RaceDay Event Software website.

5. All Result will not be final for a period of 24 hours post event to allow for protest, THERE WILL BE NO ONSITE PROTESTS

6. All Protest must be made within a 24-hour period, any protests after that period will not be accepted. Protests must be emailed to the Chief Judge who will relay the changes to RaceDay Staff (email will be provided before the start of the event) No onsite protests will be accepted.

7. USA Cycling upload will be done after the 24-hour period has expired

8. All podiums will be by virtual award on the RaceDay Event Software Website

9. All awards, prizes, and money should be picked up at the scorer's table. Otherwise, they will be mailed to the rider within 48 hours of the event protest period

10. Please do not huddle at the finish line.

You must wear a mask up to the time the official at the start line allows you to remove it, at that time you can remove the mask and put into your jersey pocket. Do not throw the mask on the ground. You must wear the mask after your finish and any other time you are on the Island.

There may be separate start lines by category, do not huddle at the start line, you may line up 5 min prior to you start. Wear a mask to the start line.
