Race Format

FASTRACK RACING is bicycle racing designed for younger riders - whether new to the sport or an experienced racer. Each race day includes a variety of short events that help teach basic racing skills and good sportsmanship. Every racer will be able to to compete in 2 or 3 races on a closed 1/3 km course.

FASTRACK RACING is TEAM format racing. Fun is the only (and best!) prize. There will be no individual results or awards. Racers that are not already part of a team will be assigned to one for race day; smaller teams may be combined for the event. Each event will result in points for the top 5 riders; points will be totaled for team results.

FASTRACK RACING is co-promoted by Baltimore Youth Cycling and Rock Creek Velo. All riders ages 9-14 (as of Dec. 31, 2018) are welcome to participate! Helmets are required.

NOTES

- We will cancel due to rain and all pre-registered riders will be notified and fees reimbursed. The promoter and officials reserve the right to combine or split fields depending on size.
- RFK Lot 8a is located on the southeast side of RFK Stadium; parking is available nearby in Lot 8.
- CCBC is the Community College of Baltimore County in Catonsville, Maryland.
- **Questions?** Contact Mike M at mike@bycycling.org or Mike Z at michael.zoeller@verizon.net USA Cycling Permit Nos. 2018-333; 2018-1374 (Applications pending)
